In Appreciation--

Responses are coming in to the Alumni Office with pledges and gifts for the scholarship fund to support our current project. To encourage your thinking and giving, a student reaction to life at Bryan is recorded below from Rachel Whitlow, a freshman from Dunlap, Tenn., and sister of Evelyn Whitlow, '54:

Rachel Whitlow

There is a great difference in my feelings now and those I had when I first entered the doors of Bryan College as a student. I had been here many times with my sister, who graduated from Bryan, but now this was a different experience-- I was

the student and she was the visitor.

The first few weeks were a period of adjustments and trials when I sometimes wondered what I was doing here. But the Lord worked it all out, and as the months passed, Bryan College and all it stands for has grown to mean more to me than words can express.

One cannot tell of the wonderful friendships to be found in a Christian college such as Bryan. The faculty, as well as the students, radiate the loving glow of the Lord Jesus Christ.

I must admit that I was somewhat startled by classes being begun with prayer, but this just made me more appreciate Bryan's standards toward the Lord. I am proud to be able to say that I am a member of the Bryan family.

I am very thankful for the scholarship which I received from the school, and I appreciate everyone who has contributed to this fund.

TO REMEMBER:

- Return your pledge card promptly.
- Send your special appreciation letter for binding by March 31.
- Note the date of October 19-21 for fall Alumni Homecoming.

Judy Gilson, a Bryan senior, is pictured as she accepts the \$25 award from Clyde Simmons '49, treasurer of the Tri-State Bryan Alumni chapter. Judy wrote the prize-winning essay on "What Bryan Means to Me" and received the award at an alumni dinner for CHATTANOOGA friends on March 4, commemorating the birthday anniversary of William Jennings Bryan and the fourth anniversary of the organization of the Tri-State alumni chapter.

New Chapters Organize

Seventeen Bryan alumni, college represent atives and friends gathered at the Fireside Restaurant in CINCINNATI, OHIO, on Feb. 24. Following the dinner a student team of musicians furnished music and Col. Goatley, Bryan's new field representative, and Rebecca Peck '40, alumni executive secretary, participated in the program. Anna Ruth Hille '55 was elected president and Virginia (Smiley) '50 Sells was chosen for secretary of this new chapter.

To revive the "home base" alumni chapter in DAYTON, a group met in the home of Jerry Sisson '59. Plans were considered for chapter activities and a date set for a potluck dinner to be held on March 29 at the home of Edward '53 and Josephine (Jenkins) '49) Payne on Main St. Temporary officers chosen were: Jerry Sisson, chairman, and Faith (Allen x'61) Williamson, secretary.

Around the World

CONGO

John '54 and Janice (Brown '53) Miesel are thanking the Lord for protection, for provision and for opportunity to continue serving in Congo. In addition to holding services on their station in Swahili, John planned to organize a church service in French at the Agricultural School where students come from all over Congo.

The Lord willing, they are making plans to return in May 1962. The Crumleys have been serving in Tanganyika during their enforced absence from Congo.

CENTRAL AFRICAN REPUBLIC

Bruce '47 and Wilma (Walker x'49) Rosenau are due for furlough this summer but may postpone it. Six students graduated in October from the four-year Bible school at Sibut. THAILAND

One of Malcolm's contacts, a Malay, read the scripts for Gospel Recordings for five records, ten sides, which represents a distinct accomplishment, since Gospel Recordings have been trying for several years to record this language. Furlough plans for the Bradshaws including three children have been granted as of May 5, when they plan to board the FAIR SEA from Singapore for England.

TAIWAN

Grace (Theobald x'46) and Clare McGill in Taiwan have been seeking to meet the need for God's Word in the mother tongue of over 90 organized churches using the Tayal language. PHILIPPINES
